Mail Stop PETITION
Commissioner for Patents

Alexandria, VA 22313-1450

Dear Sir:

In response to the Decision dated August 5, 2009, Applicants request reconsideration of the Decision in view of the (1) Fees Transmittal, and (2) Issue and Publication Fees payment submitted herewith.

More specifically, the Decision indicated that the Petition filed August 18, 2008 was deficient in that the issue and publication fees were required with the Petition, even in light of the Request for Continued Examination and the Information Disclosure Statement filed with the Petition. As the required fees are submitted herewith, Applicants renew the request for revival of the present unintentionally abandoned application as set forth in the previously filed Petition.

Please charge any fees required in connection with the present communication, or credit any overpayment, to Deposit Account No. 503915.
